It can be a challenge to pay rent, medical bills, car payments and other expenses.

These financial stresses may make it difficult to enjoy the days you feel well and to live your life to the fullest.

The **Funds for Living** Program helps alleviate your financial worries by giving you access to your life insurance benefit now and leaves money for your loved ones.

- You can use the money in any way you see fit.
- The loan is paid-off from the proceeds of your life insurance policy.
