*The Funds for Living Program  
May be Your Solution*

## USE YOUR **LIFE INSURANCE** POLICY TO ACCESS FUNDS

The **Funds for Living** Program helps alleviate your financial worries by giving you access to part of your life insurance benefit now and leaves money for your loved ones later.

It works like a loan - your life insurance policy is the only collateral and repays the loan.

- **NO** restrictions on how you use the money
- **NO** more premium payments - they are paid by Fifth Season
- **NO** monthly payments due - all payments are made from the policy benefits
- **NO** out of pocket costs
- **NO** credit checks
- **NO** policy cash value or other collateral is required.
- **ALL** remaining proceeds are paid to your beneficiaries
